# **Maine Coon Cats. Maine Coon Cat Owner's Manual. Maine Coon Cats Care, Personality, Grooming, Health, Training, Costs And Feeding All Included.**

## Synopsis

Everything you need to know about keeping the Maine Coon cat as a pet. This is another very informative book by Elliott Lang. As an animal lover, he enjoys writing animal books and advising others how to take care of their animals to give them a happy home. He has been in the company of animals for over 40 years. Maine Coon cats make very good pets. Not only is the Maine Coon cat beautiful but also very adorable. You will never feel bored when living with a Maine Coon cat. It is a playful cat that keeps you engaged all the time. The Maine Coon is particularly good with children with who it develops a very strong bond because of its playful nature. Furthermore, this cat is very receptive to training. This book is a must have guide for anybody passionate about Maine Coon cats. Maine Coon cats care, personality, grooming, health, training, costs and feeding all included. The book is written in an easy to read and understandable style. In a straight forward, no nonsense fashion, Elliott Lang covers all aspects of keeping Maine Coon cats as pets. Elliott Lang says: I have always been in the company of animals. My family has always been hands on with the pets in our household. Whether it was bathing, feeding or taking care of our animals, my family ensured that the animals got the best of everything. These animals were the centre of all our activities. There was not a single day that did not begin with a discussion about our pets. What to feed them? How to take care of a cat or dog that is ailing? What is the most nutritious thing to feed them? These were common dinner table conversations while I was growing up. So, needless to say, I have had a lot of practical training with respect to taking care of different breeds of animals. Today, I am in a very privileged place where I can share this information with pet lovers across the globe. I would never have been able to provide you with so much comprehensive information without the knowledge that I gained from my father, my family and of course my beloved cats.

## Book Information

Paperback: 158 pages

Publisher: IMB Publishing (July 12, 2014)

Language: English

ISBN-10: 1910410136

ISBN-13: 978-1910410134

Product Dimensions: 6 x 0.3 x 9 inches

Shipping Weight: 7.8 ounces (View shipping rates and policies)
