Customer Reviews

I like this book. It is concise and just enough information to whet your appetite for rug hooking. Once you get into the craft you probably will have more questions than the book can provide answers.

Also pleased it is available as a Kindle book. So many crafts I enjoy only come in paperback

Down-to-earth, easy-to-follow.

Needed help with how to hook the backgrounds, and this books had that where others didn't. Good basic learning book.

Beautiful and well written by expert and teacher in the rug hooking field.

Nice book...still reading. Plenty to learn from it.
