Customer Reviews

Just used this book the other day when I got the urge to make a batch of cookies. I thought I would try a recipe that I had never made before Oatmeal Peanut Butter Cookies. Wow did they ever come out great and my family loved them as well. Great recipes in this book.

The gluten free recipes in this book are the bomb. Many can be made low carb friendly as well. I found the recipes easy to follow.

I haven't baked them yet but I've found lots of recipes that i will be making soon!
