Customer Reviews

I like this cookbook very much. It has excellent recipes to serve to a bunch of football fans as well as to serve to family. I ordered 2 by mistake so I gave the extra copy to a young granddaughter who was looking for recipes to serve to her friends. She was thrilled with it. I love, love, love Gooseberry Patch cookbooks. They fit my preference very well. Thanks for bringing so many of them to me at

great prices. dilemma

Another exceptional book from Gooseberry patch. This book is as much fun to read as it is to use. All recipes are clearly written and directions are easy to follow. This would make a great gift for sports fans and foodies!

These are the cook books to go to on game days. They are packed full of great recipes for those quick finger foods you want while watching your favorite team play.
