Soup Of The Day: 150 Delicious And Comforting Recipes From Our Favorite Restaurants

Synopsis

Whether it's a bowl of chicken soup when you're sick, a thick and hearty gumbo in winter, or a refreshing gazpacho on a hot summer day, soup is a timeless favorite. In *Soup of the Day*, Ellen Brown presents more than 150 classic and inventive recipes, most of which were collected from top restaurants across the nation. Try the Tortilla Soup from Fearing's in Dallas, the Cream of Celery Soup from Bayona in New Orleans, the Cheddar Soup with Bacon from The Soupbox in Chicago, or Ellen's own New England Clam Chowder. With the recipes are explanations on how to create great stocks, cook perfect garnishes, and even bake delicious breads. Make your favorite or try something new; it's a soup lover's dream!

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (21 customer reviews)

Best Sellers Rank: #51,603 in Books (See Top 100 in Books) #41 in [Books > Cookbooks, Food & Wine > Main Courses & Side Dishes > Soups & Stews](#)

Customer Reviews

Like all of Ellen Brown's cookbooks, this is comprehensive and beautifully photographed, and will appeal to novice and skilled cooks. The recipes are detailed, easy to follow, and frequently contain information about food lore and food science, ideas for presentation, ways to substitute ingredients, and historical footnotes. We've been having a heat wave where I live this fall, and so the section on regional chilled soups has been especially handy (the White Gazpacho with Smoked Paprika is great!). As cooler weather sets in, I'm looking forward to sampling from the *Soups of the Sea* (White Miso Soup with Mussels) and *Vegetable Soup* chapters (Squash Blossom soup).

comfort food crazy, from creating stock to accompanying breads- this cookbook has it all. I particularly love the bean soups, but this has dozens of recipes that I need to try. even learned of a new vegetable stock made from corn cobs.

Yea, Yea, Soup of the Day !!!!Love soup, love this book. It is so approachable right from the start with encouragement to build a stock larder in your freezer so you can make most of the recipes in the book in under an hour. With the simple and clearly written recipes you can get a 'round the world tour of flavors via soup...and in any season, too!And the excellent photographs are tempting enough to make you dive right in.Kudos....

Bought this for my husband who loves to cook and we love everything he's made from it so far. Lots of variety.

Wow! Ways to make Grandma's recipe with current ingredients? Way to match the three-star restaurant's delicate dish? This book has it all -- and written with Ms. Brown's accustomed close attention to detail and user-friendly guidance. And as in her other books, the supporting photos are stunning.When I first considered this book, I thought, "When there are so many cans and packages, why do it yourself?" But now I see the difference. Try it!

Another terrific cook book from Ellen Brown. The photos make your mouth water, the recipes make you want to cook up several batches of soup, and the commentary is both helpful and interesting. How can we settle for only one 'soup of the day'?

Enjoyed the fact that there were original recipes

I love this book, not only for it's collection of great recipes but also for the quality of the photographs and the fine printing. This is a definite gift item this Holiday season. Kenn Speiser
