Customer Reviews

The Princeton Review is the best study guide around. It prepares you for the GRE so well. It has a CD that allows you to access tests. My GRE scores went up after reviewing this book, and I'm a horrible test taker. The only thing is that it doesn't have enough vocab that is on the exam. Buy another book for vocab.

A good start for tyros.

Fast delivery! I love the book!

Awesome book to begin!

Great book !
