# Jean Hee's Best Of The Best Hawaii Recipes

## Synopsis

Look no further for the local recipes you love and crave. Jean Watanabe Hee has handpicked the most delicious, can't-miss dishes from her five Hawaii's Best cookbooks and put them into one handy volume - complete with a few new recipes you won't find anywhere else. With a bounty of pupu, salads, sides, soups, desserts, and 52 mouth-watering main courses, these recipes have been gathered from family tables, group picnics, and school cookbooks across Hawaii, then tested and perfected in Hee's homestyle Windward Oahu kitchen. Decades of culinary history are distilled in this treasury of island cooking - a history that's rich, delicious, and still putting smiles on even the youngest faces.

## Customer Reviews

This book provides a taste of home, some 4,000 miles away. Brings back memories of cherished childhood dishes Mom and Aunties used to make. They're no longer around to teach subsequent generations, so this is a treasure trove!

I've tried multiple "local" Hawaii recipes online and in cook books. However, this is the first book I have come across where no recipe has been a failure in my family. My other half and my kids have been especially pleased with the beef stew and easy adobo recipes. The creamsicle cake is a winner! Easy to explain steps, minimal ingredients, it's a no brainer. Highly recommend.

Every single recipe in this book is a hit. Every single one. I'm not great in the kitchen....but these recipes are making me seem like a culinary star to my friends and families. Cookbook is worth buying for the melt'em cookie recipe alone. Tastes just like Maui Cookie Company.

If your from the state of Hawaii or have some Hawaii ties, this is a great "local" food cookbook to add to your collection. I find some of the recipes are fun to change up a little, and add some of my own flair.

Great book. Most recipes as my husband remembers them. Arrived timely. Worth the price and I would recommend for beginners cooking Hawaiian dishes.

Perfect compliment to our kitchen. Since moving away from the islands, we get to take a vacation with fond memories of island treats.

Love it! Good source for local cooking  
Pro: easy to understand and good variety of recipes  
Con: wish they a a pic for every recipe

Great book. I have a few of her books and they all do represent Hawaii cooking. Would recommend it for people who want a touch of Hawaii recipes.
