2016 Blue Book Network Guide To Construction Costs

Synopsis

The Blue Book Network Guide to Construction Costs 2016 is a practical resource for all your construction estimating needs. Whether the job is for general construction, remodeling, building maintenance, or repair, the Blue Book Network Guide to Construction Costs provides the most accurate and up-to-date data for material and installation costs, labor and equipment rates, and even adjusted allowances for overhead and profit. The Blue Book Network Guide to Construction Costs 2016 also breaks down all unit and summary costs for every type of structure ... all organized in the 16-Division CSI Masterformat. It also includes prevailing wage rates for over 400 U.S. Metropolitan areas (based on the latest data published by the Department of Labor), square foot costs, Americans with Disabilities costs (ADA), production and demolition rates, energy factors, purchasing costs, equipment rental rates and much more!
