Hermit Crabs (Animal Planet Pet Care Library)

Synopsis

The newest in Animal Planet's family-friendly pet care series, Hermit Crabs provides concise yet complete coverage of important crab care topics such as feeding, housing, and selecting shells. Using full-color photos and tip boxes that highlight essential topics, this book encompasses all the basics of hermit crab care and shows why these unique and exotic creatures are the perfect low-maintenance pet. T.F.H. has teamed up with Animal Planet, the only television network devoted to the unique bonds between humans and animals, to present an exciting new series of family-friendly, comprehensive guides to superior pet care. Each book features newly written text from animal experts on a variety of topics, including feeding, housing, grooming, training, health care, and fun activities. Useful tip boxes in each chapter show every member of the household how to make the most out of owning a pet.

Customer Reviews

Okay, now this book is really in depth on almost everything and even scorns the buying of painted shells! But, I noticed it does lack on two things. Meaning they mentioned it, but didn't explain to well. Proper Substrate level, which needs to be a minimum of 6 inches and tank humidity which needs to be 80%. These books always make me happy because they even have sections for people to teach kids what to do and what not to do. I'd like to eventually own all that apply to my house hold!

I GUESS THIS WOULD BE OK FOR THOSE WHO KNOW VERY VERY LITTLE, BUT I WOULD

HAVE LIKED MORE INFORMATION.

I love this book but I wish it had more Info!! loved the pics.this book is perfect for starter! When I started this book was perfect! From this book I proudly own 2 happy hermit crabs!

My daughter found this very helpful as she is learning about all the animals in her pet store. She wants to know as much as she can to help the customers.

THANK YOU
