## Customer Reviews

I love cookbooks. I love salads. I like to make my own salad dressings. So what's not to like about this book? I recommend it to anybody who likes salad and likes DIY. It is terrific. I am presently laid up with a leg injury, but as soon as I can get around again I'll be trying some of these recipes. You should too. If you read the label on some of your favorite salad dressings you'll be horrified at what you've been putting into your body. This book will teach you to make salad dressings that are as healthful as they are delicious. So I also recommend it to anyone who likes to eat and cares about health.

Delicious salad dressing recipes. Many flavors, good for any kind of salad you can think of. So far all of them made tasty salads.

Looking for new homemade dressings and these are a great start

These are some of the best recipes I have ever used. A must try.

The recipes that I have tried are very good. The Carrot Ginger Dressing on page 3 is ideal for grilled chicken oriental salad. Because the dressing was a little thicker than I liked, I added 1 Tbsp soy sauce, a little water and a little more light olive oil plus 1 Tbsp of honey. The Creamy Buttermilk Ranch Icebox Dressing on page 7 is PERFECT just the way it is written and delicious. I like that I can make a great ranch dressing and I know that there are no artificial ingredients in it. I am looking forward to trying many more of the recipes in this book.

This is a nice little cookbook with 50 salad dressing recipes. If you like homemade salad dressings instead of bottled salad dressings you will like the book. I was making a purchase and needed a small item to get over \$49 for the free shipping so I added this book to my order and I am glad I did. I like having cookbooks in print form so when I cut a recipe in half I can write the amounts down in the cookbook.

The book is great. I love it. The recipes are easy to follow and I love that most of them are made with things I already have

Great recipes, easy to make. I loved it. If you are looking for dressings this is a great choice
