Synopsis

Amish and Mennonite cooking feeds the soul as well as the body. The delicious, traditional recipes in this very popular collection produce dishes that are sturdy and basic, yet full of flavor, affection, and warm memories. Here are easy-to-follow, from-scratch recipes for breads, soups, salads, vegetables, meats and main dishes, casseroles, pies, cakes, cookies, and desserts, as well as jams, jellies, and relishes, candies, beverages, and snacks. This popular cookbook has sold more than 150,000 copies! Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Customer Reviews

I have had this book for about 3 years now. I have tried at least 50% of the recipes, and never had a bad outcome! I rate this book in my top 10 collection of cookbooks! I use it at least once a week! Getting kind of dog eared now. Great recipes and great value.

We have found so many tasty and easy recipes in this collection. From the Meatloaf, to the Potato Soup, to the Whoppie Pies... We could go on and on. All the ingredients you will generally have on hand. Simply the BEST.

I have purchased 7 of these books to give as gifts. Everyone who recieved one loved it. The pies, casseroles and soups will please everyone you serve.

I love this cookbook! It has simple, delicious recipes presented in an easy to read format. A plethora of hearty dishes awaits you, including a great section on soups. There is even a recipe for homeade root beer! I would recommend this cook book for anyone who likes classic American dishes and desserts made with easy to find ingredients.

Down-to-earth recipes, with easy to follow directions, have made this cookbook one of my favorites. No fancy names or haute cusine -- just good home cooking. Perfect for those who have a "meat and potatoes" family like mine.

Have enjoyed the easy to follow, tasty recipes repeatedly over the past 5 years. Especially like the soups! If you're seeking a good all-around basic 'down home' cookbook...this is a good one!

I received this cookbook as part of a gift basket I won in a raffle. My family has tried several of the recipes in it and have yet to be disappointed. The beef stew is absolutely wonderful! My wife and daughter both check this cookbook first for recipes before they look anywhere else.

This is a great cookbook. It reminds me of the home-style cooking in my mother's 1950's Betty Crocker cookbook. The recipes are not fancy and stylish...they are homey and comforting.
