## Customer Reviews

Love what David Chang has brought together in Lucky Peach. I love pho and never would have thought about making it at home. Now I have some great recipes to tackle it, and have learned so much through this issue about the history and development of an iconic dish, and the differences between northern and southern approaches, eh oh helps me to interpret the different phos I get at local shops. This is a great issue.

I have subscribed to Lucky Peach since the very beginning and this is my favorite issue ever. I read every article, some made me laugh, some made me cry and some made me want to get into the kitchen and get at it. I love how this issue takes on the theme of Pho and approaches it in so many ways. More of this!

So much info and interesting reading material! I love Pho and to learn of it's history, different cooking methods, how it's evolved and to learn more about the Vietnamese culture in general is a

priceless experience for me.

Has it taken this long for this magazine to come full-circle? Or is it just launching to yet another level? I think both. I thoroughly enjoyed this issue and have read it at least three times since I received it in the mail. Not only did it remind me of how I first came to eat phở, but it reminded me that I have been so fortunate to have known two very important people from Vietnam in my life, neither I'll soon forget. It was very life-affirming. Thank you, folks!

Exactly as the cover indicates.

Great Issue...still reading.

Nothing makes me happier ... Reading Lucky Peach having No.15 at Pho 75. :)

If you like Pho you will like this issue!
