Half Yard Gifts: Easy Sewing Projects Using Left-over Pieces Of Fabric

Synopsis

Half Yard Gifts is the latest title from sewing guru Debbie Shore, and the next book in her best-selling half yard series; if you loved Half Yard Home and Half Yard Heaven, then this book is for you. It contains 22 projects to sew and give away, each made using less than half a yard of fabric. The book contains gifts for all your family and friends: the projects range from pincushions, bags and paperweights to aprons for budding chefs, kneeling pads for gardeners and tool belts for DIY-enthusiasts. The projects are made in a range of prints and styles and use a range of techniques: either follow each project closely, or adapt the size and fabric to suit the recipient. Debbie gives advice on how to customise the projects, so that you can create the perfect gift for your loved one. This book would be perfect if you are new to sewing and need some guidance with the basic techniques and key information, as Debbie's friendly advice and clear step-by-step photography make it a doddle. But it's also packed with fresh ideas and designs that will inspire you even if you've been a keen sewer for many years and are just looking for a new way to use up your stash and create meaningful gifts that your loved ones will treasure.

Customer Reviews

So far I have spent hours attempting the cosmetic bag. Myself and another friend that sews have not been able to get past step 3. The measurements just don't match up. Has anyone else made this and do you have any suggestions?

Nice book and some lovely projects. I'm disappointed with the Cosmetic bag though, the

measurements just don't add up, and after cutting all my pieces out ready, I can't get past step 3 because of this. I have enquired about this to the author, and hoping to hear back.

Really cute book with lots of pictures and simple instructions. Great for a beginner.

Always looking for new craft ideas. This book had several I could use.

Love this book such cute and easy things to sew

Loved the magazines, loved the service!!!!

A fun book. Clear directions & great pictures.

I like it so much Thanks
