## Customer Reviews

We're working our way through the recipes - so far they have been quite good. Was surprised by the ginger tea bread.

This book is keeping the traditions alive! Afternoon Tea is a regal affair. Piety hangs thick in the air. There are many wonderful ideas in this book! It's easy to follow! A true lady will appreciate this elegant book. Women of, shall I say, lower standards need not apply, though. Keep those traditions alive and buy this wonderful book.

Beautiful book, great illustrations. Anxious to try the recipes. Plan to use some for an upcoming wedding in our family.

Was a gift to a friend but i loved it and will buy a copy for my home. :-)
