Customer Reviews

I got this book for my husband who has a pug named "Rambo" and Rambo looks very much like the pug on the cover but better looking....this dog is my husband's best buddy...my husband has diabetes and a chronic painful lower back condition....so every picture in this book can be related to Rambo....I got this for a birthday gift...my husband is 79 this year.....a pug is more than a dog...he is a companion that can make you laugh and feel good and also give you comfort when he tells my husband it is time to go to bed and lies down beside him...what more can I say.

Very cute book with lots of cute Pug pictures. Bought this for my little sister who LOVES Pugs and she fell in love with this book and it's a very good read. If you like comedy and Pugs, this book is perfect.

If you have a pug at home, this is a must buy. Bought this for my hubby as a stocking stuffer and we

just laughed at the pictures and cute little puggies. I must say they are all good uses for a pug!

this is a charming book and i am so glad to have received it in such a speedy fashion and in such good order. i have a pug and never get tired of books about pugs.

"101 Uses For A Pug" is a small picture book that fits in the palm of your hand. It's like one of those small books that you'd find at a Hallmark store and is primarily for those people who are Pug lovers/owners. Most of the pictures are of Pugs in sedate poses (who'da thunk?) and they are adorable but slapping a title like "entrepreneur" on picture of a Pug dressed up in business clothes does get to stretching it, albeit creatively. Still, guaranteed to put a smile on the mothers and fathers of Pugs everywhere, and probably a few other faces as well.

This is perfect for our grand-puggie. She fits into almost every page quite nicely. I always try to find something fun for each of our kids at Christmas and this was it for our son and daughter-in-law. If you have a Pug or know someone who does, you will understand the fun in this book.

I bought this as a semi-gag gift for my boyfriend's birthday. We both really love pugs, and it's always entertaining to see them do cute/stupid things. It's very compact, about the size of your extended hand, and fits anywhere. Great buy, I highly recommend to everyone.

I bought "101 Uses For a Pug" for my aunt who had to go into a nursing home and had to give up her dogs, one of which was a Pug. (her favorite). She loves the book and has gone thru it several times. She said the pictures make her laugh.
