Spot on with just about everything...could explain how to correct some problems in more detail but overall great book

Although ours is a Border Collie MIX, this book provides a lot of insight into these really great dogs.

Very well written. As already stated, a few trouble areas could use a bit more detail (housebreaking tips and tricks?) i would recommend this to anyone looking to supplement their BC research

Very well written book. Covers all stages of life for the breed. Many pictures also in this book and very informative! A must have for anyone wanting to know more about Border Collies!

Good Book with a ton of information and history on the breed.

This is a nice book to learn more about your Collie. I found it informative for helping us learn more

about our Border Collie puppy.
