365 Slow Cooker Suppers

Synopsis

Slow cooker fans love their devices because they are easy to use and allow home cooks to buy affordable cuts of meat that become fall-off-the-bone tender. The challenge is finding well-tested recipes, and that's where best-selling author Stephanie O'Dea comes in, with her wildly popular website (crockpot365.blogspot.com) that attracts more than a million visitors a month. In addition, O'Dea has made numerous national morning show appearances, including on Good Morning America. Fans have been clamoring for a new cookbook, and this one ties directly to her website with 365 recipes. Every recipe is written with gluten-free options, so there is a large secondary audience for this book. Full-color photography will further entice slow cooker enthusiasts, making this a must-have collection.

Book Information

Paperback: 336 pages

Publisher: Houghton Mifflin Harcourt; 1 edition (September 24, 2013)

Average Customer Review: 4.3 out of 5 stars See all reviews (264 customer reviews)

Best Sellers Rank: #18,139 in Books (See Top 100 in Books) #48 in Books > Cookbooks, Food & Wine > Cooking Methods > Slow Cooking #132 in Books > Cookbooks, Food & Wine > Kitchen Appliances

Customer Reviews

I hadn't really thought about using my slow cooker in the summer except for pork barbeque sandwiches until I received this book and had my 19 year old cousin and several of his friends visiting our house for several days this summer. This was wonderful for having meals prepared as they came in and out from their activities. I started out trying O'Dea's version of Kalua pulled pork which was different than my normal barbeque based sandwiches, but still went over well. Some other versions that met with approval were the BBQ bean chili, cheesy lentil bake, chicken curry chili, barbeque chicken thighs - which is perfect for summer - cooking without heating up your kitchen, BLT chicken, honey-lime chicken - another great way to prepare something without heating up your kitchen and allows you to have things ready after you come in from the day's

events, pizza stuffed peppers was easy and much different than one expects to come out of a slow cooker. I have 2 slow cookers, so sometimes lunch was being made and another cooker was doing the supper. We also really liked the brats in beer for an additional dish while we had a group for a cookout. Sometimes the slow cooker beats always throwing things on the grill I appreciate the fact there are quite a few dishes using recipes for the garden's supply of squash and zucchini. There is lots of advice for gluten free. There are also lots of recipes for sandwich ingredients that go well in the summer like ratatouille sandwiches and pot roast French dip sandwiches. Of course heavier cooking that you might want to try in the winter is included...ginger ale ham, garlic pork roast with balsamic vinegar and ranch fish Florentine.
