# Huckleberry: Stories, Secrets, And Recipes From Our Kitchen

## Synopsis

Every once in a while, a cookbook comes along that simply knocks me out. Their book is filled with wonderful tips about life and baking but what inspires me most is that I want to make every single recipe in this book! â “ Ina Garten"Everything in generosity" is the motto of Zoe Nathan, the big-hearted baker behind Santa Monica's favorite neighborhood bakery and breakfast spot, Huckleberry Bakery & Caf  . This irresistible cookbook collects more than 115 recipes and more than 150 color photographs, including how-to sequences for mastering basics such as flaky dough and lining a cake pan. Huckleberry's recipes span from sweet (rustic cakes, muffins, and scones) to savory (hot cereals, biscuits, and quiche). True to the healthful spirit of Los Angeles, these recipes feature whole-grain flours, sesame and flax seeds, fresh fruits and vegetables, natural sugars, and gluten-free and vegan optionsâ ”and they always lead with deliciousness. For bakers and all-day brunchers, Huckleberry will become the cookbook to reach for whenever the craving for big flavor strikes.

## Customer Reviews

Huckleberry by Zoe Nathan with Josh Loeb and Laurel Almerinda -- has to be one of the most stunningly, gorgeous books I have seen. Much credit goes to the marvelous recipes - but also to Matt Armendariz who is a genius of photography.Huckleberry Bakery and Cafe opened in 2009 in Santa Monica and I am deeply disappointed I didn't know of it's existence while we were in California over the last few years. I will be headed there in the near future.The cover - just look at

the cover! Blueberry brioche. And the page edges - yellow polka dots - I'm in love. First on my list to make is the brioche on the cover. I have never made brioche before. I was a little intimidated. I followed Zoe's instructions to the letter except I used raspberries and chocolate and I was afraid of overfilling and used half the amount. Zoe knows what she is talking about use the full amount! While my bread is not as stunning as Matt's photo - it is incredibly delicious and I will be making this bread again. PLEASE NOTE: CORRECTIONS FROM CHRONICLE: Page 105: In the ingredient list, 4th line (bread flour), "1 3/4 cups/185 g" should be "1 3/4 cups/215 g" Page 108: In the ingredient list, 4th line (all-purpose flour), "+ 2 tbsp/280 g" should be "+ 2 tbsp/140 g"; 5th line (bread flour): "+ 2 tbsp/280 g" should be "+ 2 tbsp/140 g" Let me just go through some of the recipes -- I hope you have eaten breakfast or lunch or dinner depending on what time you are reading this post. The muffin section - recipe after recipe of muffins with crispy, sugary tops - as muffin tops should be, gorgeous flowing glazes. I'm a sucker for a glaze.
