Cooking For Sugar: Spoiling Your Pup With Doglicious Homemade Treats

Synopsis

Cooking for Sugar is the definitive cookbook for any dog parent. Rosalyn Acero, founder of Golden Woof, includes over 30 recipes to share with your pup. This beautifully photographed, user-friendly, bowl-licking collection of cooking tips, recipes and anecdotes is the perfect gift to share with any dog-loving parent. Going beyond the recipes, Acero includes detailed nutritional facts. With one in four pets being classified as obese leading to joint problems, digestive disorders, and more, caring for your best friend can feel scary. But with homemade, nutrition-conscious meals, youâ™ll avoid all the unknown, all the chemicals and all the dangers of pre-processed bags of mystery. Your dog will forever be grateful as you cook FOR them!

Customer Reviews

I love to spoil my Golden with healthy treats so I was so excited to add "Cooking for Sugar" to my cookbook collection! I have been reading the Golden Woofs Blog for many years because I also have a Golden and I admire and respect the way author Rosalyn Acero cares for her beautiful dog, Sugar. I like how Rosalyn's homemade treats use healthy ingredients, no need to add sugar and salt which are found in most commercial pet treats and aren't good for our pets. She also incorporates superfoods such as kale, blueberries, tumeric, pumpkin and chia seeds into the treats and explains the nutritional benefits of each of them along with cute illustrations. "Cooking for Sugar" has inspired me to bake and cook for my Golden more often as there are so many brand new, fun recipes. There are beautiful photos of the homemade treats on every page and all the recipes are simple with just a few ingredients that make it easy to whip them up quickly!
