The Best-Ever Applique Sampler From Piece O'Cake Designs

Synopsis

Everything you need to know about hand appliqué is in this newly updated version of the comprehensive guide from Linda Jenkins and Becky Goldsmith. You'll find all the latest tips and techniques to help you stitch your own appliqué creations, plus charming new appliqué patterns in the colorful Piece O' Cake style. Nine new appliqué blocks make charming miniature quilts or mix-and-match samplers. Five new quilt projects include complete instructions and full-size pullout patterns plus basic stitches are shown for both right and left handers.

Customer Reviews

Piece O'Cake Designs always has beautiful quilts in their books and this is no exception. What I did find different in this was the amount of instructions. It covers everything you need to know about applique. My favorite part is the section on selecting fabrics. Great examples ranging from color values to patterns. The projects themselves are fairly small and there are only a few in the book. This is more of a technique book. (Though the projects they do have are really nice!)

I own most of the Piece O'Cake books and patterns - this one is a HAVE TO do for myself. Love how cheerful it is and the 16 inch blocks mean you can make a wall hanging in almost no time at all! Photos of applique methods are almost like being in class with Becky.

This is the clearest book written for someone interested in learning applique. I teach applique and will recommend this book to students.

Great deal prime. Fast delivery, so convenient. This book has it all if you are a beginner or confident applique sewer. Instructions are full and easy to follow and the beautiful pictures help a lot. Great projects. What's not to love.

The emphasis is on technique and not projects. The pictures used to illustrate various applique methods (inside curves, outer points, circles) are extraordinary. About 75% of the book is about how to applique, so if you want a great reference, this is it.

I like piece o cake designs for applique, it is the form of quilting I like the best. their designs are bright and colorful with great instructions

Love the pictures, for right and left handed people. Bright, darling patterns, can mix and match them. Can't wait to do some of them for my granddaughter and her new room.

They have outdone themselves with this book. Excellent teaching and pattern. I love Piece O'cake Designs and patterns. They are easy to follow and great teaching for newbies to Applique
