Customer Reviews

I love these cards. The front of the card is iridescent, which you can't really see on the picture here, it also has a light pattern printed on the inside, as well as on the envelopes.

I really love these note cards. It turns out, the design is actually imprinted on the front of the card, so they look and feel a LOT nicer than they appear online. I use these as birthday, wedding, and thank-you notes. they're wonderfully multi-purpose!

These cards are also embossed, which I did not know when I ordered them. I love the texture and the contrast. These look smart and sophisticated. Great for any use. The box they come in can be reused when the cards are gone.

What the photo doesn't show is that it's got a glossy finish and is embossed. The envelope is white and the flap is printed with the reverse of this design -- green on white rather than white on green. They're a little boring but they're multi-purpose since they're completely blank.

Hunting for a Gift especially another Gender for Valentines Day can be a challenge. The purchase being made for a long time male friend of mine for Valentines Day called me yesterday and was "Ga, Ga" over these Queen Anne's Lace Note Cards. He repeated loving the lace several times and we were/are both very pleased with this product. He voiced several compliments about them. I must admit I felt a little guilty for this product was beyond affordable.

These are beautiful cards. I chose this darkish color because they would be appropriate for men or women. The envelope is lined in green and there is a faint overlay of the flower. It is very subtle here and there. I think these are perfect and cheaper than goin on the PPP website. Surprise

Purchased as a gift. Recipient loved it. Elegant notes decorated with a common roadside flower that grows throughout the northeast and mid-Atlantic states. She loves stationery and loved the simplicity of these notecards.

All praise for Peter Pauper Press and their absolutely beautiful paper products and writing accessories!!! I LOVE THESE NOTE CARDS!!! Very elegant while being sweet at the same time...cannot get enough Peter Pauper Press products!!!
