# Kaffe Quilts Again: 20 Favorite Quilts In New Colorways From Rowan

## Synopsis

Kaffe Fassett presents 20 all-new quilts. Now you can quilt your own heirloom with this richly illustrated how-to guide. Featuring an array of new fabrics and expanded colors, it provides complete instructions for creating 20 museum-quality quilts that will become family treasures. The latest fabrics and patterns. Photographed in Bulgaria, against a backdrop of splendid painted houses and wedding-cake churches, each quilt in this collection is a classic Kaffe pattern worked in the latest Rowan fabrics and scintillating color palettes. Extraordinary creativity! Like all his best-selling books, Kaffe Quilts Again showcases designs so brilliant and unique, they simply take your breath away. Don't miss your chance to be delighted and inspired.

## Customer Reviews

This book contains reproductions of quilts designed by Kaffe Fassett, Liza Prior Lucy, Pauline Smith, Roberta Horton, Brandon Mably and Mary Mashuta in some of the previous books compiled by Fassett. From Kaffe Fassett's Country Garden Quilts, we have the S Block, Star Bouquet and Chintz designs; from Kaffe Fassett's Quilts in the Sun: 20 Designs from Rowan for Patchwork and Quilting there are two versions of the Frames quilt and a new version of the Chelsea quilt called Summer Chelsea. There are new versions of Blue Star, Big Bang and Pastel Gridlock hailing from Kaffe Fassett's Caravan of Quilts (Patchwork & Quilting Book 6)]; Chevrons, Romantic Rosy, African Huts, My Fair Lady and All Season Garden from Kaffe Fassett's Quilt Road: Patchwork and Quilting, Book Number 7 and Cutting Corners and Two Up and Two Down from [\[ASIN:1600852599 Kaffe](#)

Fassett's Quilt Romance: 20 Designs from Rowan for Patchwork and Quilting (Patchwork and Quilting). A mix of fabrics by Fassett, Mably and Jacobs has been used and some of them are no longer generally available at big sites online, including the Glorious Color website that is run by Liza Prior Lucy. But for the most part substitutions can be made. Indeed, that is one of the things to learn from this book--how to use what is at hand rather than being locked into the need for a particular fabric.
